## PERSONAL PROFILE

My name is Johan Rosell, 23 years old, born and raised in Gothenburg, Sweden. My main passion and occupation is graphic design and illustration. I have been drawing my whole life and when I was younger while skateboarding I became influenced and inspired by skateboard graphics. This fascination later led me to graphic design.

I am a creative, social and enthusiastic person, love working together with people and I like to come up with ideas, concepts and solutions. My strongest qualities are being hard-working, eye for detail and that I don't fear trying out new stuff.
